

Tristan Apgar

Computer Science

trapgar05@gmail.com | (540) 820-8049 | Harrisonburg, VA

EDUCATION

Bachelor of Science in Computer Science, *James Madison University* | Harrisonburg, VA | Expected May 2027

TECHNICAL SKILLS

Coding Languages: Java, Python, C, JavaScript, HTML/CSS

Frameworks and Technologies: Django, REST APIs

Development Tools: Git, GitHub, DigitalOcean, SQLite, Excel

PROJECTS

Part-Jitsu | *Django, Python, JavaScript, HTML/CSS, APIs, Full-Stack Web Development*

- Developed a multiplayer web-based card game using Django, implementing game logic, user authentication, profiles, invitations, and real-time gameplay features.
- Deployed the application to a cloud platform and used Git/GitHub for version control.
- Integrated REST APIs to retrieve and incorporate dynamic card data into gameplay.

Pokémon | *HTML/CSS, JavaScript, APIs*

- Collaborated to build an interactive Pokémon card website using JavaScript, HTML/CSS, and APIs.
- Developed interactive card pages displaying card information and a favorite feature for adding to a binder page.
- Implemented searchable and browsable Pokémon card data from 1999 Base Set through 2025 Mega Evolutions.

Bowling | *Java, Scrum, Digital Multimedia, 2D Game Development*

- Developed a single-player 2D arcade-style bowling game in Java.
- Implemented interactive bowling ball and pin sprites with collision detection and physics-based movement.
- Designed multiple themes, audio, and a dynamic scoreboard that updates player scores throughout gameplay.

WORK & VOLUNTEER EXPERIENCE

June 2024 – August 2026 | **Summer Staff**, *Massanetta Springs Day Camp*

- Supervised children ages 4–12 while maintaining a safe, engaging, and supportive environment.
- Planned and led daily activities including archery, canoeing, crafts, and cooking.
- Served part of 2026 as Assistant Manager, overseeing counselors and supporting daily operations.

August 2023 – Present | **Volunteer**, *Big Brothers Big Sisters*

- Mentored a youth participant to build confidence, develop skills, and support personal growth.
- Built a positive mentoring relationship through recreational activities, consistent support, and encouragement.

CERTIFICATIONS & HONORS

June 2025 – June 2027 | **First Aid / CPR / AED**

August 2023 – Present | **JMU Centennial Scholars Program**
